He's a little confused. Should we meet him together?

Carol,

It's a pleasure to meet you. I would be grateful if we could schedule a short introductory meeting so that I can come to your office to introduce myself to you and to update you on the status of the Grand Avenue project and my new role. As a developer, I have always taken special interest in groups like Central City Association given your advocacy role and important contribution to the local business environment. I am hoping that I can support the work of CCA in many ways, so I am anxious to learn more about your mandate as well.

I look forward to meeting you.

Best regards,

- Rick
